

## ACORN STEPS TO COUNTRYSIDE AND COAST

Gentle strolls into the East Wight landscape. These routes are suitable for all ages, including small children, and those with mobility restrictions such as wheelchairs, walking aids or pushchairs.

### Yaverland

Dip your toes in the rock pools at Yaverland – look out for fossils too! The promenade from the car park back into Sandown is open all year round, but do check the tides first if you wish to get down onto the beach and discover fascinating finds under the Red Cliffs.

This route was assessed in Summer 2018 and has been publicised in good faith as being accurate, but please be aware that there is no guarantee the details will be the same on the day you choose to visit.
