

ACORN STEPS TO COUNTRYSIDE AND COAST

Gentle strolls into the East Wight landscape. These routes are suitable for all ages, including small children, and those with mobility restrictions such as wheelchairs, walking aids or pushchairs.

Batts Copse

The path which winds through the trees between Batts Copse and Copse Road is mostly level. It may become muddy in wet weather. Look out for wildlife including squirrels through this tiny oasis of woodland. There is a very short uphill link up to the children's playground next to the school.
