

ACORN STEPS TO COUNTRYSIDE AND COAST

Gentle strolls into the East Wight landscape. These routes are suitable for all ages, including small children, and those with mobility restrictions such as wheelchairs, walking aids or pushchairs.

Connie's Way

From Newport in the centre of the Isle of Wight, you can walk into the East Wight without having to walk on any main roads. Connie's Way takes you through Pan Mill Meadows, where you can see flowers such as wild garlic, bluebells and buttercups. In the meadow, yellow flag, water mint and meadowsweet have returned; there are woodpeckers, butterflies, dragonflies. If you're very lucky you might just see brown trout in the river, or a water vole on the banks alongside.
